Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450

Dear Sir:

This reply is responsive to the Office Action mailed 15 November 2005 in the above-identified application. It is accompanied by a petition for a one month extension of time with appropriate fee, extending the deadline for reply to 17 January 2006, being that 15 January fell on a Sunday and 16 January was a statutory holiday Monday, thus making this a timely response. While no additional fees are believed due, the Commissioner is hereby authorized to charge any required fees, including extension fees or other relief that may be required, or credit any overpayment, to Deposit Account No. 50-2319 (Our Order No. 465174-00460 (28438/US/2)). Please amend the present application as indicated below and consider the remarks that follow.
